

NATIONAL E and S  
INSURANCE BROKERS INC.  
SPECIALTY WHOLESALE INSURANCE BROKERS

## **Aspen Specialty and National E & S Create a Specialized Liability/Pollution Coverage Insurance Product Exclusively for Qualified RPS Authorized Service Companies**

**Kernersville, NC-** Risk Prevention Systems (RPS) has accepted a proposal from Aspen Specialty Insurance and National E&S Insurance Brokers to provide its members with a specialized liability insurance policy that includes pollution coverage. Ross Driscoll, President of National E&S Insurance Brokers facilitated the relationship. According to Ross Driscoll this policy includes:

- A+ Carrier
- Broad Pollution and General Liability with an Occurrence Form
- Nose coverage available for qualifying prior claims-made policies
- Higher limits available
- Mold coverage included
- Transportation pollution included
- Non-owned disposal sites included
- Incidental Professional Liability
- Full Professional liability is available for those who qualify
- \$250,000 crisis management
- CG-2010 11/85 additional insured form is standard
- Includes blanket additional insureds, waiver of subrogation, and primary wording
- No products exclusion for completed operations
- Deposition and other legal expense reimbursement included
- Disciplinary proceeding expense included
- Subpoena expense reimbursement include
- Non-auditable policy - flat premium

The program is designed exclusively for qualified RPS Authorized Service Companies and offers COMPETITIVE RATES and ADDITIONAL DISCOUNTS for RPS Program participants.
